Career Summary

Jun 2024 - Present

**British Heart Foundation, Derby
Volunteer Staff**

Outline

As a Volunteer Sales Assistant at the British Heart Foundation, I have had the opportunity to contribute to a charity that supports heart disease research. I have worked with the team to serve customers, organize and price donated items, and keep the shop presentable. It has been rewarding to know that each sale helps fund life-saving work, and my focus has been providing a positive experience for customers.

Key Responsibilities

- Meeting and greeting customers, ensuring they feel welcome and comfortable
- Keeping the store clean and tidy and presentable for customers
- Processing transactions including cash/card payments/withdrawals/refunds

Dec 2024 – Present

**Agency Worker (Staff line/Morrisons Flower world), Derby
General Operative**

Outline:

As a General Operative at Morrisons Flower world, I have had the opportunity to contribute to the smooth operation of a fast-paced environment. I work with the team to handle, sort, and prepare flowers for distribution, ensuring quality standards are met. My responsibilities include maintaining a clean and organized workspace, adhering to health and safety guidelines, and supporting the team to meet daily targets. It has been fulfilling to play a role in delivering fresh flowers to customers, and my focus has been on efficiency and attention to detail.

Key Responsibilities:

- Receiving deliveries, inspecting for damage, and verifying shipment accuracy.
- Organizing inventory in designated areas and maintaining proper storage.
- Picking items for orders, packing them securely, and preparing for shipment.
- Keeping the warehouse clean, organized, and safe while following safety protocol
